

THE JUNIOR LEAGUE OF COLUMBUS

CLEARINGHOUSE

WELCOME TO THE 2019-2020 LEAGUE YEAR!

We are so excited to unveil this publication highlighting much of what the League has been doing the past several months! As you are probably aware, the 2018-2019 League year was full of changes, including sunsetting Bargain Box, ramping up efforts on our new community focus and changing the Active membership model. Though changes are happening, the League continues to focus on our core purpose – to develop the potential of women through training and community opportunities that ultimately benefit central Ohio. We continue to develop and strengthen partnerships with other organizations aligned with our mission. Our members take pride in the work our organization is accomplishing and are working hard to ensure the continued success and viability of the League.

With great pride,
 Kara Newbury
 2019-2020 President
 Junior League of Columbus

MISSION STATEMENT

The Junior League of Columbus is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

VISION STATEMENT

The Junior League of Columbus is the community's leading resource for trained volunteers. Through our programs and the Kelton House Museum and Garden, we educate the community, preserve the past and build for the future of Columbus.

A MAGICAL MORNING

The third annual A Breakfast with Characters took place again on L Brand's campus on Saturday, February 16, 2019. There were over 250 pint-sized guests dressed as princesses, superheroes, and villains. The space, provided generously by L Brands, was the perfect setting that created a magical arena for our guests.

Amy's Princess Parties and The Mascot Organization, both whom have partnered on the event all three years, provided their wonderful characters and time. Princess Elsa once again performed on-stage with her fellow characters. Brandi, with Silver Confetti Events, made a return to this year's event with her fantastic rainbow balloon arch, columns, and centerpieces that gave the room a pop of bright colors.

The area was filled with characters, a DJ, balloons, craft tables, silent auction items, face painters, and even Chris Cakes flipping fresh pancakes off the hot griddle. Josh Staley Productions filled the room with musical hits for the guest to enjoy and dance. The craft table, run by our volunteers, allowed children to decorate their favorite crown or mask. The silent auction included multiple items from various local vendors. There were even face painters available for children to get their favorite designs or characters on their face. Guests were provided a variety of breakfast items and beverages to kick-off the Saturday morning event.

A Breakfast with Characters raised \$7,214.76 for the Junior League's Adopt-a-Backpack for Children Project. This year alone, over 3,000 backpacks filled with school supplies were distributed to children in Central Ohio.

A NIGHT WITH BESTIES

On Thursday, March 7, 2019, JLC members brought friends, coworkers and family to a fun night out celebrating the fourth annual Bestie Backpack Bash! This year this high energy event was hosted at The Boathouse Restaurant at Confluence Park, where everyone had the opportunity to mingle with their besties while shopping pop-up boutiques, enjoying hors d'oeuvres & beverages, and participating in the famous quarter auction! Of course, our favorite gal pal, Dee W. Ieye led attendees through the auction rounds and kept everyone laughing from beginning to end. It was a fast-moving and exciting evening of raising funds for our beloved Adopt-a-Backpack for Children Project! The 2018-19 New Member Class did an excellent job in selling 139 tickets and having the event contribute over \$5,000 to the purchase of supply-filled backpacks and to support the JLC mission.

THE HOSTESS WITH THE MOSTEST

On Saturday, March 2, 2019 the Junior League of Columbus had the privilege of hosting CODE Day, an annual event that rotates among the eight Ohio Leagues. "CODE" stands for Connect-Ohio-Develop-Educate and serves as a day of training for Ohio League members at all levels. This year, in addition to women from seven of the eight Ohio Leagues, members from Pittsburgh, PA Detroit, MI and Evansville, IN also attended the day's festivities.

After an ice breaker activity, leaders from each League presented a quick overview of what their individual group is focusing on this year and what their goals are moving forward. Attendees also heard from Amber Levy, AJLI VP of Membership, who spoke about new changes and prioritization in membership among Junior Leagues across the country. The afternoon session featured an update from Ohio's State Public Affairs Committee and a presentation from Kelley Griesmer, CEO of the Women's Fund of Central Ohio.

To help support the Junior League of Columbus' foster care initiative, each League in attendance brought a donation item to be included in backpacks that were then distributed to participants at our League's first-ever College Day for Foster Youth in April. We thank our sister Leagues for their contribution and support! After such a successful CODE Day, we are really looking forward to next year's event hosted by the Dayton League!

MARCH MINGLING

In March 2019 the League hosted three mini-meetings for members. Mini-meetings are a specialized type of General Membership Meeting that take place throughout the month of March. These events are based on member interest and change from year to year. Each event is intentionally smaller in attendance, more social in nature and aimed at providing a space where members can connect. This year we hosted mini-meetings at Tabletop Game Cafe, Middle West Spirits and The Candle Lab. At Tabletop Game Cafe members were able to participate in a variety of board games while being competitive with their fellow League members. At Middle West Spirits members went on a tour of the distillery and got to taste some delicious and locally made spirits. The Candle Lab event was a fun evening where members were able to create their own uniquely scented candle. Over 30 League members participated in mini-meetings, expanding their network and connecting with other members all while enjoying a variety of engaging activities throughout Columbus.

JLC PARTNERS WITH CBJ

On March 15, 2019, over thirty Junior League volunteers gathered at Nationwide Arena to take part in the Columbus Blue Jackets 50/50 Raffle event. This program gives non-profit organizations an opportunity to fundraise at a Blue Jacket's hockey game by selling raffle tickets to those attending the game that day. The winner gets 50 percent of the total pot, while the other 50 percent is split between the Columbus Blue Jackets Foundation and the participating organization. This year, the JLC took home \$4,992 which went directly toward supporting the League's mission and impact!

Not only did JLC members raise funds for our League, but they also were able to share the impact the Junior League has in the Columbus community with CBJ patrons. The Junior League of Columbus thanks the Columbus Blue Jackets Foundation for the opportunity to fundraise and spread additional awareness about the mission of our organization.

COMMUNITY PARTNERSHIPS ALLOW FOR THE FIRST-EVER COLLEGE DAY EVENT

The League partnered with The Ohio State University, College of Public Health (CPH), Franklin County Children's Services (FCCS) and Columbus State Scholars Network (CSSN) to open doors within higher education for Foster Youth in Ohio.

The College Day planning team led by the JLC's Community Focus Committee (CFC) worked during the 2018-19 League Year to establish the partnerships necessary to make this event possible. On sunny April 11, 2019, nearly twenty youth, along with their foster parents and case workers, convened on Ohio State's Campus to experience a college day the scarlet & gray way. A solid recruitment effort championed by FCCS College Bound Mentor, Chuck Cochran, accounted for the strong turnout as youth and their chaperones geared up for the true Buckeye experience. Upon their arrival to College Day, youth received backpacks with supplies for success collected from Junior Leagues around the state on CODE Day.

The College of Public Health facilitated the schedule of events and kicked-off the day with remarks from the Director of Undergraduate Programs, Dr. Gail Kaye, who masterfully tied CPH's role in the event by recognizing the importance of creating community resilience by building equity. Following Dr. Kaye were presentations from representatives of OSU's Office of Admissions, Office of Financial Aid and University Exploration. Presentations designed specific to our audience highlighted the distinct challenges faced by foster youth in the admission's process and offered solutions, pathways and connections to help them successfully navigate the course. The morning portion of the event closed with a

ang, a knockout presentation from OSU's Director of Counselling and Consultation, Dr. Mickey Sharma. Dr. Sharma engaged the youth in understanding about their stress, using the Yerkes-Dodson 'Human Performance and Stress Curve,' and kept them on their toes with some flying OSU Stress balls as takeaway swag.

The group broke for lunch and a campus tour before returning for the afternoon with positive energy and newly formed friendships with their peers. A true and unexpected highlight of the day. The program concluded with a Student Success Panel organized by Katrina De Los Santos and the Columbus State Scholars Network. Students got to hear from former foster youth currently attending OSU and former foster youth that are now graduates of a four-year institution. From them they learned not only each of the panelists unique experiences, but too different best practices on being successful in college.

In a follow-up meeting from the event, the planning team confirmed its takeaway to continue the conversation regarding what we can do collectively to provide the right access at the right time for Foster Youth. The goal is to continue working to successfully navigate higher education opportunities.

MISSION-IMPACTED MEETING

The final General Membership Meeting of the 2018-2019 League Year took place at Upper Arlington's Municipal Building on Tuesday, April 9, 2019. At this GMM, members dropped off donations for a Community Focus Committee event, Campus Day, which took place later that same week at Ohio State.

At the meeting Terry Butterworth, League Treasurer at the time, gave an excellent financial overview and state of finances for the League. Terry's transparent presentation helped members better understand the budget and where dues dollars are allocated.

The meeting's keynote speaker, Chrishonda Smith, a certified Executive Coach, presented to and interacted with our members. Chrishonda is very passionate about helping individuals, especially women leaders, cultivate and celebrate their "Authentic Selves" to then drive them to maximize their leadership potential. Chrishonda spoke to members on the importance of making connections to achieve successful results, both professionally and personally. This final meeting of the League Year was a great one that certainly spoke to our mission of developing the potential of women and building community leaders.

2019 COLUMBUS VOLUNTEER EXPO

On Thursday, May 2, 2019, Nicole Bergman and Tamica White, represented the Junior League of Columbus and the Kelton House Museum & Garden at the 6th Annual Columbus Volunteer Expo - powered by Columbus Young Professionals. The Volunteer Expo was a casual networking event that offered attendees a face-to-face opportunity to connect with local non-profit organizations & other volunteer opportunities. The event is geared toward community-minded residents throughout central Ohio. This year's Expo had plenty of social networking opportunities, music, games, door prizes, and complimentary food provided by Dave & Buster's. Overall it was a fantastic way to showcase the League and Kelton House to the community and turned out to be a successful recruitment effort!

AMAZING ACHIEVEMENT

Marisa Nye, Kara Newbury and Terry Butterworth represented the JLC and attended the 97th Annual AJLI Conference. They had quite a surprise on the last day during the award ceremony. The Junior League of Columbus was awarded THE Membership Recruitment & Engagement Award, which is given to only one of 291 Leagues per year. We are so honored to have received this award.

[CLICK HERE TO WATCH THE CEREMONY](#) | [CLICK HERE TO WATCH THE MAY HIGHLIGHT](#)

MARCH MINGLING

On May 31, 2019, six League members headed to Charlotte, North Carolina for AJLI's Organizational Development Institute (ODI). Members represented JLC across six tracks: Building Internal Capacity, Achieving Community Impact, Diversified Fund Development, Marketing & Communications, Governing for Excellence and Membership Development. All members who attended appreciated the opportunity to represent the League and learned a ton the training courses. The ability to share stories, problems, best practices and ideas with Leagues from across the country was priceless. Attending an AJLI conference of any kind gives members the opportunity to see the big picture of this amazing organization and a vision of the greater good Junior League internationally.

THE GARDEN GROWS IN HONOR OF A SPECIAL MEMBER

The ever-changing landscape at Kelton House received a transformative gift this summer. Due to the generosity of Junior League of Columbus Sustainer Diane Keeler, the garden now includes twenty-five Thuja plicata 'Green Splendor' evergreens planted along the western border. The evergreens provide screening from the neighboring apartment and fills in the gap left by the removal of a very large, problematic tree, whose stump needed to be ground out to make way for the new plantings. The gift also included extensive trimming to the Van Esseltine crabapples that line the garden walkway; that trimming will provide more light to the garden and increased health to the grass. In addition, the entire west border was weeded, deadwooded and existing plants fertilized. The English Ivy on the Carriage House trellis was pruned, all beds were edged, and the Liriope was replanted to conform to the bed edging. The large overstory trees were also pruned as well as the Carpinus tree in the terrace area. The work was designed and provided by White Flower Farm and The Formal Garden.

The generous gift is in memory of Sherry Barger, who served as the first Garden Chair at Kelton House Museum and Garden. Sherry's legacy will live on in our growing and beautiful garden!

A NIGHT TO REMEMBER

On Tuesday, June 4, 2019, the Junior League of Columbus came together to celebrate the fantastic year that was then coming to a close. It had been a League Year to remember, from celebrating the 70th and final Bargain Box to program development of the new Foster Care initiative to purchasing a record-breaking 3,000 supply-filled backpacks for the ABC Project to receiving the AJLI Membership Recruitment & Retention Award, and the list goes on. The amazing triumphs seemed endless and yet there is still so much more on the horizon.

League and Community members awarded that night were:

- New Member Award - Robyn Floyd
- Rising Star Awards - Rose Schroedl
- Team Player Award - Janice Brockman and Chenee Castruita
- Presidents' Awards - Terry Butterworth, Susan Keferl, Jaelene Krug and Hayley Roberts
- Community Award Recipient - Katrina de los Santos
- 2019 Sustainer Honoree - Sonya Lin Thesing

The event concluded with the traditional Presidents' gavel passing during which incoming President, Kara Newbury, took the stage and reminded us of all the greatness that will continue in our 97th year and beyond. Over 80 were in attendance for the celebration, from potential new members to new members to actives to sustainers to League husbands and even community partners. It was certainly a night to remember and one that made us all proud to be part of the Junior League of Columbus!

A RUBY JUBILEE - CELEBRATING 40 YEARS

On June 22, 2019, guests were invited to "show their best red" in honor of the Ruby Anniversary, 40 Years of JLC & KH in partnership, and not a single attendee disappointed. The fun-filled evening featured a live vinyl DJ, ruby red lipstick station, casino-style games, museum tours, booze pull, silent auction, dinner, cocktails and – new this year – a late night snack. The setting could not have been more lovely thanks to the inspired decor and hard work of the committee combined with the beautiful garden in full bloom! Through generous gifts and contributions, the Kelton House Gala raised nearly \$24,000 for the Kelton House Museum and Garden programs, including the Underground Railroad Learning Station and the Historic Lecture Series. It was a thrill to share the Kelton House with so many members of our community. The committee invites you to save the date for our next gala on Saturday, May 30, 2020 where we will celebrate the Kelton House once again!

THE 2019 JUNIOR LEAGUE OF COLUMBUS SUSTAINER HONOREE: SONYA LIN THESING

Selected earlier this spring, the 2019-2020 Sustainer Honoree, Sonya Lin Thesing, was recognized at Annual Dinner on June 4th. Sonya was a provisional member of the Junior League of Washington, DC when she and her husband moved to Columbus in 1997. She decided to join the provisional class in Columbus the next year. During her JLC career, Sonya served as a provisional (new member) advisor and chair, held placements with the Village to Child program and the Center for Child and Family Advocacy Committee, and developed a league project that trained JLC members to teach The Art of Positive Parenting (TAPP) to court ordered participants in TAPP classes. Sonya also served as member-at-large and recording secretary on the JLC Board of Directors. One of her greatest accomplishments was having a photo of every league member for the 2006-2007 Blue Book! Always eager to learn more, Sonya attended ODI training in Houston, TX and multiple CODE days in Ohio.

Sonya Thesing was a President's Award recipient in 2007. This was the same year she first visited Huckleberry House, while serving on the board for the Junior League. And today she works as the development director at Huck House, central Ohio's primary provider of support services and housing for youth experiencing crises, including homelessness. Sonya is thrilled to be on the Huck House team, after years as a business owner and consultant. She has over a decade of non-profit development experience as a board member

and development committee chair for several central Ohio organizations. Her favorite part of development work is connecting people with causes that matter to them. Sonya received her Bachelor of Arts degree in International Studies from Dickinson College and her Master of Business Administration degree from The George Washington University. Sonya and her husband of twenty-two years, David, and their two teenage sons Max and Garrett, enjoy time on soccer fields, golf courses, and beaches.

The League is very proud of Sonya's success and proud to honor her as this year's Sustainer Honoree. More celebratory events will occur later this year to celebrate Sonya's accomplishments both a League member and community partner!

BRIDGING TWO ORGANIZATIONS

KiDs Grants allow Kappa Delta alumnae chapters and individual alumnae an opportunity to partner with local nonprofit agencies to provide quality programming and prevention-oriented projects that have a direct, positive effect on families and children. In total, \$25,000 was awarded to eight recipients at this Kappa Delta's Bi-annual Convention in Dallas, TX this summer.

Immediate Past President Marisa Nye, on her very last day as serving JLC as President, received a \$2,650 grant on behalf of the Junior League of Columbus to supply 320 backpacks filled with school supplies to children in the Franklin County foster care system. Marisa with the help of fellow Kappa Delta sisters and Junior League members, Hayley Roberts and Samara Preisler, submitted an application in early Spring. Marisa was honored to be able to receive the award in person on behalf of the League and bridge two organizations so near and dear to her heart.

DOGS FOR A CAUSE

In July, the Junior League of Columbus partnered with Dirty Frank's Hot Dogs through their Dogs for a Cause program. Dogs for a Cause gives back to the community by giving a portion of sales every Monday in a month to a selected charity. Through the five Mondays in July, the Junior League of Columbus was able to earn \$1,600 for our Adopt-a-Backpack for Children (ABC) Project. According to Miriam from Dirty Frank's, "From its inception, Dogs for a Cause has been Dirty Frank's platform for supporting local charitable organizations that positively impact Central Ohio, as it allows us to increase awareness and reach for their initiatives. When we found out we could help economically challenged children to receive backpacks and supplies in time for the new school year, we knew we had to partner with Junior League of Columbus to make a difference!" Thank you Dirty Frank's for your commitment to the Junior League of Columbus' ABC Project and for your help in growing our impact in the community!

THE LEAGUE GROWS WITH 40 NEW MEMBERS

We celebrated our spectacular new members at the New Member Kickoff on July 28. Members from all across the League came together to make this event seamless and meaningful for our new members. Kara Newbury, JLC President, welcomed our new members and gave them an introduction to our League. The kickoff was held at the Kelton House. All attendees got to learn about the Kelton House's role in history as well as how the League supports this important historical landmark.

Our new members got to hear from the Adopt-a-Backpack for Children (ABC) Project and Community Focus teams. Both groups shared how the time and talents the new members will give to their placements throughout this year will shape the contributions we are able to make in the communities we serve. Everyone who presented throughout the kickoff did a phenomenal job of portraying the collaborative nature of the League. In addition to JLC specific training, our new members were able to socialize as a group for the first time and meet their respective New Member Advisors.

Thank you to everyone who worked together to create this event. The New Member Kickoff is a fantastic example of how League members work together for the benefit of all members. We have an exceptional group of new members who are already positively impacting our League.

A special welcome to: Regina Belle Cavada, Heidi Curtis/Marsocci, Heather DeMali, Renee Dickman, Maegan Ferres, Caroline Hague, Caitlin Knox, Kristie Lewis, Katy Lucas, Kendra Manjorin, Chauna Mason, Alexandra Miller, Amanda Parks, Aubrey Patterson, Elizabeth "Liza" Price, Luisa Singletary, Meghan Finke, Jessica Hamilton, Myranda Joseph, Jillian Kneppshield, Julie Laux, Shelley Lee, Michele Marcinick, Lisa Mayhugh, Sarah Pol, Linda Sabatini, Bethany Sharb, Annmarie Smerdel, Brittany Bailey, Sarah Bell, Shireen Desai, Windsor Ferzli, Charitha Gowda, Krystal Jaeger, Hannah Jew, Timea Pap, Courtney Rea, Madeline Shanahan

BACKPACK DISTRIBUTIONS AT LOCAL ELEMENTARY SCHOOLS

For the past 20 years, the Junior League of Columbus (JLC) has dedicated time and effort to accommodating requests for supply-filled backpacks through their Adopt-a-Backpack for Children (ABC) Project. Over 50,000 backpacks have been donated in all, including 3,000 for the 2019- 2020 school year.

During the months of July and August, the JLC joined NBC4's "Stuff the Backpack" efforts to provide Columbus City Schools students with a new backpack and school supplies on the first day of school. One thousand backpacks were delivered and distributed to students attending Woodcrest ES, Eastgate ES and Johnson Park MS the morning of the first day of school. Students were welcomed with a cheerful "clap-in" as they entered the building and then the backpack distribution followed.

Additionally, the JLC provided 2,000 backpacks and supplies to more than 15 non-profit schools/centers/community: Our Lady of Guadalupe Center, Columbus Early Learning, St. Stephen's Community House, Central Community House, The Buckeye Ranch, St. Vincent Family Center, Trinity Church, Franklin County Juvenile Court, East Bridge Academy of Excellence, Bridge Gate Community Schools, Big Brothers and Big Sisters, City Reach Church-Hilltop, Columbus Urban League Head Start, CSCC's ESL After-school Communities, South Side Learning & Development Center, KIPP Columbus Primary; and new this year, 30 backpacks were distributed to the Columbus State Scholar Network that provides Foster Youth Support.

The ABC Project closed out the school year having members distribute 250 backpacks at Franklin Park Conservatory for a community-wide event.

JUNIOR LEAGUE OF COLUMBUS IN THE NEWS

Lights, Camera, Action! The Junior League of Columbus is getting noticed. As we are heading into our 20th year of the Adopt-a-Backpack for Children (ABC) Project we are gaining momentum in the media. With the help of our partnership with Columbus City School, the Junior League has been seen on multiple news outlets, including the front page of the Dispatch, a live interview on Good Day Columbus, and a special news story on NBC4. Lauren Stazen was also interviewed by JLC sustainer, Dr. Carolyn Pettigrew on WVRO the Praise.

A SPECIAL THANK YOU

The Kelton House invited its volunteers to a Volunteer Appreciation Brunch on Saturday, August 17, 2019. Volunteers are the bedrock museum services without which the Kelton House could not provide all it does for the community. Led by Kelton House Council member Amanda Kasinecz and supported by the entire Kelton House Council including Council Chair Diana Briggs, volunteers enjoyed homemade brunch items and the company of other volunteers. Junior League President Kara Newbury thanked the volunteers and Museum Director Georgeanne Reuter joined in her praise and appreciation. Each volunteer took home a little thank you packet, flower seeds, as a reminder of the day and the special Kelton House garden.

BIG IDEAS DISCUSSED AT THE BIG TABLE!

On Wednesday, August 28, 2019, the Junior League of Columbus hosted a discussion at the Kelton House as part of the Columbus Foundation's Big Table event. The Big Table Big Table® is designed to be a day of community building through conversations designed to connect and inspire Central Ohio. Through open, thoughtful conversations, The Columbus Foundation and participating organizations work to spark new relationships and new ways for working together by deepening our understanding of each other and what our community needs. At our event, there were participants from within the Junior League and also members of the community at large. Our group was able to cover a ton of ground during our lunchtime discussion, including: early childhood education and childcare, jobs and job training, healthcare and affordable housing. It was an inspiring lunch, and all of the participants seemed to leave with a new energy to contribute to the success of our community.

KELTON HOUSE JEWELRY EVENT

The Kelton House Museum & Garden opens new exhibit in November. The exhibit will feature 19th century hair and memorial jewelry, special wedding jewelry, Pietra Dura and Micromosaic items, jewelry with Etruscan influence and other feminine accessories including chatelaines and purses. The exhibit will open on November 2nd and run through November 24th. It will include jewelry from the Kelton House collection, as well as jewelry from contributors Chuck Miller, Susan Rector and Betty Ann Wernet.

LEADERSHIP AND LATTES

Join us on Thursday, November 14th from 6-9 pm for the 5th Annual Leadership & Lattes; A Women's Leadership Series powered by the Junior League of Columbus and LBrands Foundation. This event brings women leaders from the community for a panel-style discussion followed by Q&A with the audience. This year's guest speakers are Lori Kaiser (Kaiser Consulting), Darla J. King (King Business Interiors, Inc.), and Sophia Finfer (Columbus Recreation and Parks Department). For more information visit www.jlcolumbus.org

HOLIDAY TOUR OF HOMES

The 15th Annual Holiday Tour of Homes will take place in Upper Arlington on Saturday, December 7, 2019 from 12pm to 5pm. This year's holiday-inspired journey includes seven amazing residences featuring local florists and interior designers. At each home attendees receive one savory small bite and one sweet tasting all complimentary. Starting October 7th prices move to \$30 each and bundles of 4 for \$100. Day of tickets are \$35 per person. So purchase now to save and get excited for these tremendously decorated residences that await you!

WELCOME TRANSFERS

Holly Hall (Wheeling, WV), Danielle Credeur (Lafayette, LA), Kelly Baker (Kane & DuPage Counties), Kristina Ellie (Tulsa, OK), Leah Gilligan (Cincinnati, OH), Lindsey Brown (Nashville, TN), Cambria Happ (Boston, MA), Lindsay Tucker (Chicago, IL), Kristina Ortiz (Los Angeles, CA), Gina Hotte (Cincinnati, OH), Barbara Failing (Philadelphia, PA), Ann Marie Krum (Parkersburg, WV)
